Industry-leading RCM Solutions

Holistic Patient Financial Advocacy

Faster account resolution. Greater revenue recovery.

Eligibility & Enrollment

Omnichannel patient outreach combined with compassionate advocacy to find maximum coverage for patients from more than 2,000 state, federal, and local programs.

Disability Advocacy

For patients with long-term needs, we pursue Title 16 (Supplemental Security Income) and Title 2 (Social Security Disability Insurance) coverage and represent disability cases all the way to federal court.

Marketplace & Premium Assistance

Coverage secured through Marketplace ensures patients can access the care they need without the added stress of health insurance costs. This program includes premium assistance to help secure coverage patients otherwise cannot afford.

Philanthropic Funding

Through our exclusive relationship with Qualify Health, we use proprietary technology to help patients who do not qualify for Medicaid, or who are significantly underinsured.

Third Party Liability/Workers' Comp

Expert attorney-led teams with extensive TPL/WC experience, proven processes, and innovative technology that quickly identifies accident-related claims, optimizes revenue recovery and maintains compliance.

Veterans Affairs

Dedicated team with deep understanding of the complexity of VA authorization requirements, billing, and appeals, and personal connections to VISNs nationwide, to deliver proven results.

Out-of-State Eligibility

Decades of physician and facility enrollment and billing experience in all 50 states to address the ever-changing state-specific regulations and practices and maximize reimbursement on out-of-state claims.

Denials Management

Comprehensive denials program that recovers lost revenue related to underpayments/denials and helps mitigate denial risk from the beginning to the end of the revenue cycle.

Extended Business Office

Dedicated EBO team to meet client-specific goals and strategy. Full range of services including A/R Billing and Follow Up, Low Balance Insurance Follow Up, Zero Balance Payment Recovery, Legacy Conversions, and A/R projects of any size or type.

Self-Pay / Early Out

The most comprehensive self-pay solution in the industry, combines a state-of-the-art, simplified, self-service solution with full-time patient advocacy to meet the individual needs of each patient and maximize collections.
