#### SHERLOQ

Revenue Solutions

##### Early-Out and Self-Pay Management

Our extended business office division, **SHERLOQ** Revenue Solutions, is committed to providing best-in-class service in early-out and self-pay management. We handle all inbound and outbound revenue recovery-related issues with the respect and integrity that patients deserve and that you expect.

##### Insurance Billing Follow-Up, Denials Management

Our Denials Management Services team helps healthcare organizations increase payment recovery through persistent follow-up, appealing and overturning difficult claims. Our experienced team will improve your reimbursement rate, leading to increased cash flow and greater patient satisfaction.

#### SHERLOQ

Financial

##### Third-Party Debt Collection

Our third-party debt collection division, **SHERLOQ** Financial, is a team of compliance-driven, healthcare-focused representatives using technology-driven work flow and patient-friendly collection techniques to provide our clients with a greater net back. **SHERLOQ** Financial is licensed to collect in all 50 states, uses compliant, up-to-date, dialing technology along with portfolio assessment and segmentation reporting to maximize recoveries.
